

# Washing Area Mat

## Field of application:

Washing areas and washrooms

## Description:

As the name suggests, this mat is ideal for outdoor washing areas and washrooms in stables. It is equipped with drainage slots so that excess water can quickly drain downwards. It is quick and easy to lay and gives an almost closed surface that is easy to clean. Horses stand comfortably on a non-slip surface even when washing or hosing down their legs.

## Properties:

Insensitive to chemicals and UV radiation, water-permeable, absorbs force, easy to lay and clean, trafficable-
